PROFILE

Screenshot of a web browser showing a user profile page for "Tester testing" (@test) on a dark-themed platform.

The browser tabs are:

- Discord | Gaming | HakunaMatata
- Document
- Search website - Canva

The address bar shows: localhost:3000/users/profile

The page header includes:

- Pinterest logo
- Profile, Feed, and Logout buttons

The profile section features:

- A circular profile picture of a black pug.
- The name **Tester testing** and handle @test.
- An "Edit" button.
- A red "Add new post" button.

Below the profile section are two categories:

- Your Posts**: 7 Pins (represented by a thumbnail of a character in a fiery environment).
- Saved Posts**: 2 Pins (represented by a thumbnail of a red sports car).
